CERTIFICATE OF UTILITY MODEL PATENT

Title of Utility Model: A device for accumulating electrical energy

Inventor(s): SHVED, Andrej Aleksandrovich

Patent No.: ZL 201690001706.2

Filing Date: November 24, 2016

Patentee(s): LIMITED LIABILITY COMPANY "SMARTER"; SHVED, Andrej Aleksandrovich

Address: Chelyabinsk, Russian Federation

Issue Date: January 3, 2020

Issue No.: CN209896750U

After the examination performed according to the Chinese Patent Law, the patent right is granted. The Certificate of Patent is therefore issued and the status of the patent has been recorded on the Patent Register. The patent right will be effective as of the issue date. The term of the patent is ten years, counting from the filing date.

The Certificate records only the legal status of the patent when it is granted. Items concerning the transfer, pledge, invalidation, termination and restoration of patent right, as well as the change of patentee's name, nationality, address, etc., are to be recorded on the Patent Register.

Director General: Shen, Changyu

(Official chop of the CNIPA)
